VOLUME 35, NUMBER 6

February 15, 2024

The Standard of Judgment

In *Words We Live By*, Brian Burrell tells of an armed robber named Dennis Lee Curtis who was arrested in 1992 in Rapid City, South Dakota. Curtis apparently had scruples about his thievery. In his wallet, the police found a sheet of paper on which was written the following code:

1. I will not kill anyone unless I have to.

2. I will take cash and food stamps—no checks.

3. I will rob only at night.

4. I will not wear a mask.

5. I will not rob mini-marts or 7-Eleven stores.

6. If I get chased by cops on foot, I will get away. If chased by vehicle, I will not put the lives of innocent civilians on the line.

7. I will rob only seven months out of the year.

8. I will enjoy robbing from the rich to give to the poor.

Many criminals, not to mention most crime organizations, have their own moral code. Mr. Curtis was no different; he had a sense of morality, but it was flawed. When he stood before the court, he was not judged by the standards he had set for himself but by the higher law of the state.

Similarly, when we stand before the judgment seat of Christ (2 Cor. 5:10; cf. Acts 17:30-31; Rom. 14:10-12), we will not be judged by some code of morality we have written for ourselves. We will be judged by the word of Christ (John 12:48). Consequently, we should study His word, internalize His word, and do our best to obey His word, while relying on His grace that was supplied to us through His sacrifice on our behalf.

the breeze app

Breeze is the church management software that we are now beginning to use. You will need a smartphone, tablet, or computer to use the Breeze app. The application is named Breeze because it is really a breeze to use. thank you

Church Family, The family of Jackie Keaton acknowledges with deep appreciation your kind expression of sympathy. Thank you seems so little to express our love and appreciation for your prayers, calls, and cards. Our family wishes to thank the food group for the delicious meal following Jackie’s service. We love you. **Beth and Taela** The family of Sandra Reed would like to extend sincere thanks for every act of kindness shown during her illness and passing. We appreciate the phone calls, cards, texts, visits to the funeral home, food that was brought to the funeral home, and especially the prayers. Thank you, also, for the gift to St. Jude’s [Children’s Research Hospital] in my mother’s memory. In Christian love, **Vangie Gieske and family**

please help us with announcements

When information is given by spoken word for announcements, it makes it difficult to ensure the information is accurate and complete, especially when it’s given last minute. If you have any information that should be announced on Sundays or Wednesdays, please write it down on paper, or text it to **Melanie, Sandy, Jacob, Jeremy, or one of the elders**. This way, the information will be accurately received and much easier to share with the congregation. **Thank you!**

building program/plans

Plans are underway for a new multipurpose facility on the southeast corner of the Pulaski Street church property. Progress is continuing toward meeting our initial goal of raising \$350,000 in order to move forward with construction. Our current contributions and commitments leave us needing about \$80,000 to meet that initial goal and get started with the construction phase. If you’d like to make a contribution or discuss a giving commitment, please speak to any of the elders. Contributions can also be given at the church office anytime during office hours.

church directories

Stop by the church office during office hours and get your **2023 church directory**.

launderers needed

Ladies, if you are willing to commit **for one month of each year** to taking home and washing baptismal garments and towels and neatening the changing booth areas following baptisms that occur here, please let Melanie know as soon as possible. Two people will be assigned per month, so if one is out of town or otherwise unavailable, hopefully the other will be able to serve. When we have enough people who are willing to help with this, we plan to resume including these assignments in the bulletin each week. **Thank you!**

Closing it out:
PSYG had a weekend full of quality time together. Saturday night several of us met at The Rink to skate, which was a first for several of the kids participating. We had a great time, and there were no injuries to report.

Sunday afternoon, several of the Lions met with Dean Hughes, Linda Markus, and Kristi Miller to learn how to make a hem stitch and sew on a button, among other things. This was part of our “Seen in Me” activities where our youth get together with other generations to learn from them and get to know them. I LOVE “Seen in Me,” and this event was no exception.

Sunday evening, several stayed after FEAST to watch the Super Bowl, and we had fun.

Any time spent with Christian friends is a good time! Please note the opportunities listed above and take advantage of them.

Until next time,
Jeremy Gargis
