please help us with announcements

When information is given by spoken word for announcements, it makes it difficult to ensure the information is accurate and complete, especially when it’s given last minute. If you have any information that should be announced on Sundays or Wednesdays, please write it down on paper, or text it to Melanie, Sandy, Jacob, Jeremy, or one of the elders. This way, the information will be accurately received and much easier to share with the congregation. Thank you!

launderers still needed

Ladies, if you are willing to commit for one month of each year to taking home and washing baptismal garments and towels and neatening the changing booth areas following baptisms that occur here, please let me (Melanie) know as soon as possible. We are (re)starting this list from scratch, so even if you have performed this service in the past and/or you think your name is already on the list to serve in this capacity, if you are willing to help with this going forward, please let me know. Call 931-762-5161 during office hours, or call or text me (Melanie) at 931-242-4917. We need a few more ladies to volunteer.

Closing it out
As early as Deuteronomy 24:6, we find a command regarding pledges that references a millstone: “No one shall take a mill or an upper millstone in pledge, for that would be taking a life in pledge.” Later, in Judges 9:53, we read that Abimelech, a king/judge in Israel, was killed when a woman threw an upper millstone down from the wall and crushed his skull.

Millstones are mentioned eight or nine times in Scripture, depending on which version you are reading. We can be certain that they were used regularly, even if they weren’t mentioned frequently in the pages of the Bible.

Perhaps the most memorable mention of the millstone in Scripture is what we find in Mark 9:42, which reads, “Whoever causes one of these little ones who believe in me to sin, it would be better for him if a great millstone were hung around his neck and he were thrown into the sea.” Jesus was clear that He did not want us to cause our children to sin! Those of us who are parents, adults, or even teenagers have children looking to us for guidance. We should not take this responsibility lightly, and we should view it with the same gravity that the Lord did.

Until next time...
Jeremy Gargis
