## Believer

Welcome to 2022! This past Sunday I introduced our new theme for the new year: "Believer." This year isn't just about discussing **what** we believe about God, the Bible, and Jesus Christ, but **why** we believe it. My goal for 2022 is two-fold: (1) **OFFENSE**: to present the evidence for God, the Bible as God's Word, and Jesus as God's Son; (2) **DEFENSE**: to respond to some of the more prominent arguments, objections, and questions raised by atheists, skeptics, and critics that may have trickled down into the minds of your co-workers, classmates, family, or friends. Below is the monthly breakdown for 2022:

<b>JANUARY</b>	A Rational Faith
<b>FEBRUARY</b>	The Evidence for God (Pt. 1)
<b>MARCH</b>	The Evidence for God (Pt. 2)
<b>APRIL</b>	The Problems with Evolution
<b>MAY</b>	The Problem of Evil & Suffering
<b>JUNE</b>	The Evidence for the Bible as God's Word
<b>JULY</b>	The Question of the Bible's Canonicity
<b>AUGUST</b>	The Question of the Bible's Transmission
<b>SEPTEMBER</b>	The Question of the Bible's Historicity
<b>OCTOBER</b>	The Question of the Bible's Miracles
<b>NOVEMBER</b>	The Evidence for Jesus as God's Son (Pt. 1)
<b>DECEMBER<sup>1</sup></b>	The Evidence for Jesus as God's Son (Pt. 2)
<b>DECEMBER<sup>2</sup></b>	A Resolute Faith

Except for December, I'll only take one Sunday out of each month to address our theme. If you're a believer, I want this year's theme to edify and equip you. If you're a quasi-believer or unbeliever, and you're not sure about the big claims of Christianity, then I want this year's theme to challenge you, create dialogue, and ultimately push you toward becoming a disciple of Jesus.

*"... but in your hearts honor Christ the Lord as holy, always being prepared to make a defense to anyone who asks you for a reason for the hope that is in you; yet do it with gentleness and respect. . . ."*

The beginning of a new year is a time that many take to reset. Whether it's making resolutions or just deciding to make some changes, many people get excited and motivated at this time of year to be better. With that in mind, I would like to offer some encouragements to PSYG and their families to help make 2022 a great year.

**Lambs**, what an exciting time of life this is for you! I still remember how much fun life was when I was your age! With not as many tangible things to worry about and friends who just want to play, it really is a great time of your life! I encourage each of you to keep being a friend to everyone. Don't play favorites. Include others. Be willing to take turns participating in activities that you and your friends prefer. Good friendships don't last unless we can be unselfish and inclusive. Right now you have the opportunity to keep growing friendships with your peers at church that will help get you through some difficult times over the next several years. Be a good friend!

**Lions**, this period of life is definitely still exciting! You have matured a lot (hopefully...ha!) and earned some more freedoms. I encourage you to use those freedoms for good! Take notice of the younger kids at church and spend time with them. Invite them to sit with you during worship and then set an example showing just how important worship is. Be careful with social media, or stay away from it completely. Who you are in real life is much more important than an online persona. Be available to your peers who are struggling. Be a light in your school/work/activities. Be someone people want to be around.

**Parents**, remember that we only get one shot at this. I can't tell you how many parents I have talked to over the years, both from P Street and otherwise, who offer a similar sentiment: "I wish I had done things differently while my kids were younger." We need to be humble enough to realize that we need help. Ask one of our elders, or their wives, for insight. Stay keenly aware of what your children are doing. Spend lots of time with them. Study the Bible with them. Share your own struggles, both past and current (within reason), as a way to help them deal with their struggles. Being a parent is not for the faint of heart. We only have one shot, so take your best one!

Until next time...**Jeremy**
