PEANUT BUTTER DRIVE FOR HAITI

Please donate to this very worthy endeavor. The jars of peanut butter we donate are transported to Haiti and directly benefit the lives of children by increasing the amount of protein in their diets. Donating money will allow us to purchase the most peanut butter, because we can buy at a bulk rate. If you prefer, feel free to donate jars of peanut butter that you have purchased yourself.

THURSDAY EVENING, JUNE 9, FINAL NIGHT

- We will begin in the auditorium with songs and awards.
- After awards have been presented, we will assemble under the tent on the Parkes lawn (weather permitting) to witness individuals receive pies in the face. (This is based on the amount of money donated toward peanut butter for Haiti.)
- For our final night picnic/meal, **Cam and Kristen Mashburn and others** will be providing the food for everyone. Just bring your appetite.

we need your updated info

We had scheduled photography for a new church directory to take place during 2020. Unfortunately, the church directory company that we have used for the past several years was severely affected by the pandemic and has now gone out of business permanently.

We do intend to have a new directory in the future. Meanwhile, we are updating our roster information, and we need your info. Please pick up information request forms from the round table in the foyer, fill them out, and return them to Melanie or any of the office staff at your convenience.

Of course, you may also send the requested information by e-mail or text message if you prefer.

Our summer intern is here! Below is a little about him in his own words. Please take the opportunity to make Johnathan feel welcome this summer, and help him out in any way possible!

Jeremy

Hello! My name is Johnathan Rich, and I'm originally from Ashland City, Tennessee. I am currently a senior at Tennessee Technological University in Cookeville, Tennessee, where I study computer science with a concentration in cybersecurity and a minor in mathematics. I am heavily involved in the University Christian Student Center (affiliated with Collegiate Church of Christ), work/play in the intramural department, and give tours for the university.

I absolutely love playing sports and being outdoors, and a few of my favorite activities are fishing, soccer, hiking, and spikeball. I appreciate being indoors at times, too, listening to music, watching movies, and playing video games/board games. I love connecting with people, and I'm very much a people person. I look forward to getting to know you all, and I'm very excited for what's in store for this summer!

Johnathan
