The Kindness Line

A lady was waiting in line at the grocery store checkout. The lines were unexpectedly long that day. Ahead, she could see something being passed along from the front of the line. It was an envelope.

When it reached her, she curiously looked inside. Inside was about fifty dollars in cash and a note which read, "Take it if you need it. If not, please pass it on." Not needing the money, she passed it on.

She watched the envelope make its way down the line, curious what others would do. Some took a few dollars. The best part was that several were adding money to the envelope!

Kindness stands out. It makes people's day. It can impact the future. If anyone should understand the deep impact kindness can make, it is Christians. Most Christians are exposed to tremendous acts of kindness in the church. We have seen people give up time, money, sleep, comfort, personal well-being, their own wishes and desires, and more simply to help someone. This is the way it should be! This is what Galatians 6:10 is all about: "Therefore, as we have opportunity, let us do good to all, especially to those who are of the household of faith."

These little acts of kindness are not in vain. They build the reputation of the church. The church should be a shining light for our communities (Matthew 5:14–16). Kindness can be a powerful light.
