Tasty in Soup

In April 2001, a news article appeared in *The Appeal-Democrat*, a newspaper published in Marysville, California. Below is the article:

A British Columbia-based nursery is trying to track down the people who bought poisonous plants that were incorrectly labeled "tasty in soup."

Valleybrook Gardens, which distributed the plants, has worked with government officials to locate the buyers of 17 improperly labeled perennials sold at stores in British Columbia and Ontario from April 18 to 25. Only eight of the plants had been accounted for by Sunday.

The label should have read, "All parts of this plant are toxic," but an employee changed it to, "All parts of this plant are tasty in soup," said Michel Benoit, the nursery's general manager. "The employee was making a practical joke and thought it would be caught by a horticulturist," said Benoit.

Satan, our adversary, has essentially done the same to all of us. God has put a warning label on sin that declares, "Do not eat from this, for you shall surely die." But our enemy switches the labels. The label he attaches to sin reads, "Looks good. Tastes great. Makes you wise" (cf. Gen. 3:1-5). Let's refuse to be outwitted, deceived, or led astray by Satan (2 Cor. 2:11; 11:3). May we see sin for what it is and refuse to do it for what it does.

thank you

Dear Church Family,

For over thirty years, our family's soul has been warmed by the knowledge that our church family has shared with us the joys and the sorrows that have been a part of our family's life.

Throughout the day of Darrin's latest surgery in January at Vanderbilt, a comforting set of Scriptures came back to our minds: Deuteronomy 6:10-12. We have often applied these Scriptures to our own family's life experiences. We are blessed in receiving strength from a church foundation we did not lay, receiving warmth and comfort from fires we did not light, and receiving shade and encouragement from trees we did not plant.

Now twenty-four years later, our family continues to be made stronger through the strength in our spiritual foundation and in the beauty of receiving warmth and encouragement from our church family.

Together...we are more than one family can be.

Thank you for all of the acts of love and kindness that have blessed our family in the past and in the present. We continue to desire your prayers and support as we endure this latest challenge as a family...steadfastly being restored by our church family.

In Christian love and appreciation,
The McKamey family

Thanks for the kindness shown during the death of my sister, Della Krick. Thanks for the phone calls, cards, and everyone who came to the funeral home. Thanks to Jacob and Jeremy. Thanks for the nice gift. Your kindness is appreciated in every way. I love you all. Thank you. **Ruby Bass and family**

church directories

We are currently distributing our **2023 church directories**. Come by and see us in the main foyer prior to and following upcoming services, or stop by the church office during office hours and get your new directory.

building program/plans

As was announced in mid-December, plans are underway for a new multipurpose facility on the southeast corner of the Pulaski Street church property. Since this announcement, great progress has been made toward meeting our goal of raising \$350,000 in order to move forward with construction. Our current contributions and commitments leave us only needing \$85,000 to meet that initial goal and get started with the construction phase.

If you'd like to make a contribution or discuss a giving commitment, please speak to any of the elders. Contributions can also be given at the church office anytime during office hours.

So put away all malice and all deceit
and hypocrisy and envy and all slander.

Like newborn infants,
long for the pure spiritual milk,
that by it you may grow up into salvation —
if indeed you have tasted that the Lord is good.

1 Peter 2:1-3

the breeze app

Breeze is the church management software that we have been talking about for the past several months. The application is named Breeze because it is really a breeze to use. At last, we have launched Breeze for everyone to use. You will need a smartphone, tablet, or computer to use the Breeze app.

An email was sent out last week with instructions for getting started. You should have also received separate emails from Breeze. The first one will let you create your login, and a final email will let you actually log in. Just follow the attached instructions. Don't forget to check your spam or junk email if you don't get the emails.

If you have any problems, issues, or questions, just let us know. If changes need to be made to your profile information, it is best to email us in writing. Text will work, too.

Mark Miller: 931-242-0692 mildril@gmail.com

Sandy Adams: 931-231-5841 adamsfam2150@gmail.com

In addition, many of our deacons have used Breeze already and may be able to help you.

It may take us a few months to get everything real-time so please be patient with us. Once you're logged in, be sure to check out the directory and the events scheduled in Breeze.

Closing it out

The closing stanza of Robert Frost's "Stopping by Woods on a Snowy Evening" brings an important point to mind. Though the traveler would have preferred to stay put and enjoy the beauty of nature, there were things to be done. After describing the beauty of the woods, Frost closed the poem with the following lines:

The woods are lovely, dark and deep,

But I have promises to keep,

And miles to go before I sleep,

And miles to go before I sleep.

My dad used to say it this way: "You have to do what you have to do before you can do what you want to do." So many times, we let the pleasures of life take precedence in our lives. Rather, we should take care of important, spiritual, Gospel-sharing matters first. We'll certainly have ample time to enjoy other things afterward.

Until next time,

Jeremy Gargis
